

# NAX - NURSING ASSISTANT (CNA)

---

**NAX10 Basic Training: Nursing Assistants**

Credits 8

Summer/Fall/Winter/Spring

**Registration Requirement:** Documented reading competency required (grade 9 or higher) or College Placement Test score of RD115 or higher. Note: Financial Aid is NOT available for this class unless taken as part of the Basic Health Care certificate program or the AGS in Health Professions Exploration degree. Admission into the Nursing Assistant class is facilitated through the Admissions and Records Office. Interested students should review the NA admissions requirements found on the MHCC web site at [www.mhcc.edu](http://www.mhcc.edu) or call 503-491-7506 to request the information to be mailed. Admissions evaluators signature is required for registration. This course is organized in compliance with the Oregon Nurse Practice Act, Division 61, Oregon Administrative Rules.

This course is designed to provide students an opportunity to gain understanding of the nursing assistant role in healthcare agencies. Emphasis is on the personal qualities, knowledge and skills needed by the nursing assistant to give quality basic nursing care under supervision. Opportunity is provided to practice basic nursing skills and procedures under the supervision of the instructor. This course is organized in compliance with the Oregon Nurse Practice Act, Division 61, Oregon Administrative Rules. Note: Financial Aid is NOT available for this class, and credit toward degree or certificate requirements is not awarded, unless taken as part of the Basic Health Care certificate or the AGS in Health Professions Exploration degree.

**NAX13 Nursing Assistant 2**

Credits 0

Summer/Fall/Winter/Spring

This course is designed to assist students who hold a current unencumbered CNA 1 certification in enhancing their skills and improving their hiring potential. Students who successfully complete this course will then hold CNA 2 title. Students will learn important health related information as well as skills that are required by the Oregon State Board of Nursing.
