

OREGON CORE TRANSFER MAP (CTM)

The Core Transfer Map is a statewide agreement that contains 30 credits. It ensures community college students shall be able to transfer each credit from any community college to any public Oregon university, and have each credit from the curriculum be counted toward the student's degree requirements. This is not a degree or certificate but is documentation on a student's transcript that they have met a subset of common general education requirements.

Students who have completed the courses below can request the CTM be added to their transcript by filling out the CTM Notation Request Form (<https://www.mhcc.edu/AR/CoreTransferMap.aspx>).
