This degree is for students who want to transfer to a four year college to major in business. Students who complete this degree will also complete the Oregon Major Transfer Map (MTM) and Core Transfer Map (CTM).

Many universities offer a range of business options, such as:

- Accounting
- Entrepreneurship
- Finance
- Healthcare Administration/Management
- Human Resources
- International Business
- Marketing
- Public Administration
- Sports Management

Curricular Outcomes

At the completion of this curriculum, students should be able to:

- Explain basic business functions and their integration into the business environment.
- Integrate diverse cultural perspectives and ethical reasoning and actions into business decisions.
- Demonstrate effective oral and written communication skills.
- Apply critical thinking and analytical reasoning skills to business decisions.

For the most part, courses that fulfill general education requirements can be taken in any term. Students should work with the faculty adviser(s) to create a custom academic plan based on course placement levels, career goals, and full time/part time status.

Admitted students may also log on to Navigate (<https://mhcc.campus.eab.com/home/>) to start the process of building an academic plan based on this major and can notify an adviser for review.
