INTEGRATED MEDIA: COMMERCIAL PHOTOGRAPHY - DEGREE

Associate of Applied Science Degree Program | mhcc.edu/IntegratedMedia (http://mhcc.edu/IntegratedMedia/)

Faculty Adviser

David Strohl: 503-491-7412 | Room AC1371 | David.Strohl@mhcc.edu

MHCC's Commercial Photography degree is a hands-on program that prepares students for photo careers and in related fields. Students will learn in the studio and on location how to light, compose; retouch, and edit photos. Students will explore portraits, fashion, still-life, story telling and video. Working in our high tech studios in a close-knit group of students and faculty, students will master the skills and modern digital tech needed to succeed. This program prepares students to enter the job market as:

- · Photographers.
- · Photo editors.
- · Image retouchers.
- · Videographers.
- · Producers.
- Stylists.
- · And sales and support roles in the photo trades.

All core courses must be completed within 5 years in order for the degree to be awarded.

Program Outcomes

At the completion of this program, students should be able to:

- · Apply critical thinking and problem-solving skills
- · Collaborate effectively with others
- · Demonstrate ability to adapt to changing technology
- · Use effective oral and written communication
- · Access and analyze information
- · Demonstrate curiosity and imagination

For the most part, courses that fulfill general education requirements can be taken in any term. Students should work with the faculty adviser(s) to create a custom academic plan based on course placement levels, career goals, and full time/part time status.

Admitted students may also log on to Navigate (https://mhcc.campus.eab.com/home/) to start the process of building an academic plan based on this major and can notify an adviser for review.

First Quarter

Fall		Credits
CP150	Digital Imaging	5
