

INTEGRATED MEDIA: VIDEO - DEGREE

Associate of Applied Science Degree Program | mhcc.edu/
IntegratedMedia (<http://mhcc.edu/IntegratedMedia/>)

Faculty Adviser

Blakesley Clapp: 503-491-7611 | Room AC1385 |
Blakesley.Clapp@mhcc.edu

MHCC's Video program teaches students how to film and produce, documentary, story telling, and commercial videos. Students who complete the program can work in a wide range of jobs, such as: camera assistant; digital image tech (DIT); grip; boom operator; production assistant; and assistant editor.

MHCC features state of the art film studios, high-definition gear, and Mac labs where students can edit both video and audio. The local film and ad industry provides internships for current students, and job prospects for those who complete the program.

***Required Equipment:** Students will need to own open or semi-open back headphones (\$80 - \$150 for a professional-level model) and a portable external hard drive (\$60 - \$100.)

All core courses must be completed within 5 years in order for the degree to be awarded.

Program Outcomes

At the completion of this program, students should be able to:

- Apply critical thinking and problem-solving skills
- Collaborate effectively with others
- Demonstrate curiosity, imagination and ability to adapt to changing technology
- Use effective oral and written communication
- Access and analyze information

For the most part, courses that fulfill general education requirements can be taken in any term. Students should work with the faculty adviser(s) to create a custom academic plan based on course placement levels, career goals, and full time/part time status.

Admitted students may also log on to Navigate (<https://mhcc.campus.eab.com/home/>) to start the process of building an academic plan based on this major and can notify an adviser for review.

First Quarter

Fall		Credits
IM120	Computers and File Management	1
IM122	Basic Image Editing	1
IM123	Basic Sound Editing	1
IM124	Basic Non-linear Editing	1
IM125	Basic Page Layout	1
